William A. Mack Jr.

1/15/1981 – 7/9/2022

William, 41, of Trenton, NJ has entered into God's eternal care on Saturday, July 9, 2022, at Hunterdon Medical Center where he was surrounded by the love of his family and friends. He was a loving father, son, brother, uncle, cousin, and friend. Predeceased by his father, William A. Mack Sr.; fiancée, Joanna Sweeney; and his uncle, Ronald D. Mack. He is survived by his son, William A. Mack III (Tre); grandparents, Thomas and Dorothy Morgan; mother, Yolanda Mack; birthmother, Barbara Stutts; brothers and sisters-in-law, Hector and Emily Rosa and Angel and Jacki Rosa; and many aunts, uncles, nieces and nephews, cousins, extended family, and friends.

William was a graduate of McCorristin Catholic High School where he excelled academically and found a passion for football. He was a master welder for Tri-Steel Fabrication in Trenton for many years and also worked for FedEx. William was a dedicated employee and an exceptional worker that took pride in everything he did.

William was known for his beaming smile and animated personality. You rarely saw him without something representing the New York Giants. His love for life and those in it was immeasurable. William's love for Joanna was undeniable, and he spent the rest of his life honoring her. Their son, Tre, was his entire world, and he made sure Tre knew that every single day. Never afraid to play or be silly, William was a favorite amongst the children in his life. His energy was unmatched, and his presence was always known. William left a mark on every life he's ever encountered, and he will be missed dearly.

“ 27 years we been friends and brothers I wish we didn't miss as much time as we did. I couldn't share my memories because we had so many from the parking lot to the wrestling room to the football field you were always there. I remember the day I took you to get Christmas presents for Tre's first Christmas and his 1st bday at chuckle cheese I couldn't begin to share how special of a person you were and I'm going to miss you and that laugh. I wonder if you walked on your tippy toes into heaven or God told you walk right 🌀 you will always be my brother and I will always remember you with with a smile and laughter thank you for giving me the gift of your friendship and the memories to last a life time I love you buddy

“ My beautiful big brother. We may not have been raised together, however our brother and sister bond was undeniable from the day our lives merged. My heart mourns that you were taken from this Earth at such a young age and we will never have all the memories we planned together.
I remember our first conversation when I told you the love of our mother was unmeasurable and assured you when your experience it your life would be changed. You were so much like our mom, accepting, loving, nurturing, and loved by every person you met.
I wish we had more days, weeks, months, and years to spend raising our sons in this crazy world.
With all the love your baby sister has, I will be missing you, every single day here on Earth.
